INSTRUCTIONS

(A) A separate roll is to be made of each reservation; also, of each *rancheria* or reserve, and a separate roll of Indians allotted on the public domain or homesteading. The roll is to be based on enrollment and not on residence.

(B) Persons are to be listed by families alphabetically; that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abcon, Abend, Abict; Ball, Bell, Bill, Boll, Bull; Carley, Carmen, Carton, etc. Families having the same surname are also to be listed in this way, e. g.: Brown, Anson; Brown, Bill; Brown, Charles; Brown, David. In the case of English translations of Indian names, such as John *Flying-Elk*, Flying-Elk is the surname and is to be listed under F. In such cases the first word of the translated Indian name determines the alphabetical position. The best way to accomplish this will be to write the names of each family group on a separate card; then, arrange the cards alphabetically and type the names therefrom onto the census roll.

Members of a family are to be listed in the following order: Head, first; wife second; then children, whether sons or daughters, *in the order of their ages*; and lastly, all other relatives and persons living with the family who do not constitute another family group.

Annuity and per capita payment rolls are also to be prepared in the same manner.

(C) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(D) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of one family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD.—"F," for full blood; " $\frac{1}{4}+$," for one-fourth or more Indian blood; " $-\frac{1}{4}$," for less than one-fourth Indian blood.
7. MARITAL STATUS.—"S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
 - (a) At *jurisdiction* where enrolled: Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
 - (b) Or at another jurisdiction. The name of the jurisdiction is to be given.
 - (c) Or elsewhere:
 1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
 2. County.
 3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—"Al," for allotment; "An," for annuity; and "Id," for identification, before the appropriate number or numbers. All numbers are to be shown.

(E) Rolls not prepared in strict conformity with the above instructions will be returned for correction.
